My Commitment

As I enter into the spirit of the Village Encounter, I do so with joyful expectation of what God may be saying to me in a new open mind and heart knowing that whilst based on the fundamentals of an Emmaus walk being is a new expression of meeting Jesus along the Emmaus Road.

I will commit to the designated times, avoid disturbances and centre myself in a Holy Place.

This will become like your quiet "prayer closet." Your Computer screen is your window to the VE Community. To prevent visual fatigue there should be lighting/battery candle to the side of the Screen along with a Pilgrim Guide (which will be provided), a cross and open Bible. Definitely a pen and paper, water, and a comfortable chair. Bread or a wafer available to share in the Breaking of Bread services. There will be breaks to stretch your legs and refresh. Then an open mind and heart.
